Announcer: Here's to your health with pure delicious Florida orange juice. And there's something very special about this orange juice. It's full strength juice canned for you in Florida. It not only costs you less, but it's better for you than bottled drinks. It's rich in the vitamin C you need every day.

- And it's so convenient, just pull the pure juice right from the can. I buy it often in the big money saving size. The 46 ounce can give you eight big glass fulls for only pennies a glass. Right now, wouldn't you enjoy a cool, refreshing glass of pure golden Florida orange juice? Of course you would.

Announcer: So keep it handy always. It's better for you anytime you're thirsty. ♪ I'll be vitamin C-ing ya. ♪
