

- You know, it takes a lot to upset an easy-going guy like me. (group laughing) But, tonight, I had meatballs and they're laying here like hard balls, and the fettuccine feels like it'll be here till next season. It's enough to give a guy an upset stomach.

Announcer: Upset stomach? Pepto-Bismol. It coats, soothes, relieves.

- Hey, I think I'll try a swig of this.

- Billy, will you use a spoon?

- Oh, no!

(group laughing)
