

- *cough* *sneeze*

- (Man off screen) Quiet over there!

- I can't help it - I've got a terrible cold!

- (Man off screen) Take NyQuil!

- What's NyQuil? *hand crashing through wall*

- (Man off screen) NyQuil! The new nighttime cold medicine from Vicks! All by itself, NyQuil relieves your stuffy nose, coughs, minor aches and pains! Relieves your major cold symptoms so well, it even helps you get the rest you need so you'll feel better in the morning!

- (Narrator) Try Vicks NyQuil tonight, and put your cold to bed. NyQuil! New, from Vicks.
