- Hey, let's stop someplace for breakfast.

- Not someplace, the place.

- Wake up, little Suzie.

- Where are we?

- Hardee's.

- Burgers for breakfast?

- No, biscuits. It's a new kind of breakfast. Homemade country biscuits made from scratch. Ham, egg, and cheese, sausage, or chopped beef steak. Made fresh by these fine folks here at Hardee's early this morning while we were wending our way home from a distant racetrack.

- After finishing a distant fifth.

- Mm, fresh biscuits for breakfast. I'll bet the winner's not having breakfast this good.

- Hey, that's right. We did beat him this morning, didn't we? (group laughing) ♪ Hardee's, best eatin' in town ♪ ♪ Up and down and all around ♪
