

Narrator: Uh oh, it's Gor, King of the Terrons. Can he be stopped? Imagine Gor can only be stopped by Super Joe Commander with the one-two punch and power light vest and the shield. One penlight battery for each not included. Imagine their fight by night with light. Gor flashes his red power ray. Imagine the shield blocks it and flashes back his own beam of light. Imagine it's lights out for Gor. Super Joe Commander with the one-two punch and power light vest. The shield and Gor new from Hasbro, each sold separately. (upbeat music)
