

(sound of thunderstorm)

- I got your polish.

- Great! I ran out halfway through this table. I don't dust with Pledge.

- Oh, no!

- It's okay, they're all the same!

Announcer: No, they aren't. Pledge has three natural polishers, specially blended by Johnson Wax for a more beautiful shine than any other polish.

- Honey, Pledge is different.

- What do you mean?

- That's my old polish.

- Yeah?

- And that's Pledge.

- Hey, that's beautiful! My Pledge shines better.

- Your Pledge?

Announcer: Pledge. The more beautiful way to dust.
