

- Let's bake it now.

- Really?

- Okay.

- Suzy, your mother wants you home now.

- But our pie.

- Skedaddle! You have to go to the dentist.

- Why do I always have cavities?

- Amy had too many cavities, too, until we started brushing with Crest. Doris, it helped.

Narrator: Of the five leading toothpastes, only Crest has fluoride, the most effective cavity fighter ever put in a toothpaste.
