Narrator: Meet Princess. Princess thinks she's one of the family and so do they. So they feed her Variety, new Gaines Variety. Three meat flavors, beef, liver, chicken, all in one box not in a bunch of cans. Now your dog can enjoy a beef day, (folksy music) a liver day, (folksy music) a chicken day, (folksy music) a different dinner every day just like you. Each soft moist packet of Gaines Variety is a completely balanced meal equal to a one pound can, but without the can, without the mess. New Gaines Variety, three meat flavors, beef, liver, chicken all in one box, not in a bunch of cans. New from General Foods.
