

Narrator: This is an ugly candy bar, Peter Paul's Almond Cluster. It bulges from the way they've stuffed those almonds and crunchy stuff inside. It's so ugly, in fact, we're not going to show it to you. But don't go away, we're going to show you something. Isn't that something? Believe me, it's better than looking at our candy bar. Funny thing, ugly as it is, Almond Cluster tastes just beautiful. And why people who make such a crunchy, crumbly candy can't fix the way it looks? I don't know, maybe we should be on the radio or something, like sky writing.
