

- Aye, Akkerman, (Akkerman sneezing) I hear you're not gonna bowl with us tonight, huh?

- Yeah, Howard--

- I'm sorry.

- I got a stuffy nose, scratchy throat, (coughs) coughing. And I feel achy all over.

- I brought you a Vicks NyQuil, the nighttime cold medicine NyQuil relieves your major cold symptoms for hours. Relieves them so well and helps you get the rest you need. Thanks buddy. Tell them the win one for old Jimmy.
