- Herbie. I asked for a twin-blade Gillette Good News disposable razor. I get a single-blade disposable, not a Gillette. Herbie, that one blade can't deliver the close shaves this two-blade Good News can.

- Great shave, boss!

- Of course, and lots of 'em. Herbie, always get me a Good News disposable. Otherwise we make Herbie's job disposable. (chuckles)

Announcer: Gillette Good News! It's one blade better.
