

Announcer: Toasting puts the tastier taste in Post Toasties Corn Flakes. They come tumbling into breakfast toasted up so golden and crisp, you can't wait to get at 'em. Post Toasties Corn Flakes are tastier because they're toastier. Post Toasties Corn Flakes starts with corn, the best there is, makes it into flakes, and then toasts them until they're tastier because they're toastier. Post Toasties Corn Flakes.
