

Girl: And what would you like for dessert, sweetheart?

- I'll have some chocolate pudding, my dear.

- And butterscotch for me.

- How about some of the real thing?

- Oh boy!

- Yeah!

- This looks like Grandma's pudding!

- Yeah, with homemade topping!

- Only I use Cool Whip. Know why?

- Why?

- Because Cool Whip tastes fresh as your grandma's homemade topping.

- My dear, I think you should use Cool Whip in all your puddings from now on.

Announcer: Cool Whip nondairy whipped topping.

- Tastes fresh as homemade.
