

- Officer, what's the trouble?

- Your sleigh?

- Yes?

- Double parking, blocking a hydrant, obstructing traffic.

- But I was only Christmas shopping!

- Christmas shopping?

- Just for a moment.

- At Chemical New York, a bank?

- Why yes! look, some people like money for Christmas.

- Who doesn't? For Groundhog day, I like money.

- Well, Chemical New York has a nicer way to give it. You see, a personal checking account comes in this bright gift stocking. Inside, 100 name imprinted checks. So personal.

- Maybe my 18 year old would like that

- Why yes! A son, a daughter, a wife, and just \$10 or more to start the account. Now, do I get that ticket?

- Well, we'll let you off this time.

- I'll be dropping in on you!

- Dropping in?

Narrator: Give money this nicer way. Another helping hand from Chemical New York.
