

Narrator: The Annual Jack Benny Mileage Run brought to you by the makers of Texaco's Sky Chief gasoline. Mr. Benny has removed the keys and he's coasting. (upbeat music)

- The Texaco's Sky Chief can drive down the cost of driving and save you money. Maybe not as much as Jack Benny saves at his Annual Mileage Run, but it can save you money on mileage and repairs because it keeps deposits from building up on valves better than any other leading gasoline.

- Yes, sir. Mr. Benny.

- Filler up.

- Yes, sir. But Mr. Benny, your tank is full.

- Gee, I didn't spill a drop. Ha ha (upbeat music)

Narrator: More and more people trust their car to the man who wears the Texaco star.
