

- I don't soak my dentures anymore and I'll bet they're cleaner than yours. I don't soak because tablets don't remove most plaque. I use new Complete, a new cleanser that removes stains and even gives plaque the brush off.

Narrator: Tablets work on surface stains, but ultraviolet light shows most plaque remains. New Complete removes most plaque. Dentures feel cleaner, fresher.

- I know my dentures are cleaner than yours. Complete gives plaque the brush off.
