

- I discovered Bounce, the fabric softener that works in the dryer.
- When it came with the new General Electric dryer.
- Now, our clothes get the Bounce touch. The Bounce touch means our things are really soft.
- My bathrobe was really soft.
- My sweatshirt is really soft.
- My sweater is really soft.

Woman: The Bounce touch control static so synthetic don't cling.

- My socks don't cling.
- My pajamas don't cling.
- My shirts don't cling.

Woman: And the Bounce touch means things smell clean and fresh.

- My pillowcase smells clean and fresh.
- My turtleneck smells clean and fresh.
- My towel smells clean and fresh.
- Our General electric large capacity dryer has this huge drum, clothes have lots of room to fluff and tumble.
- And it can't let the box of Bounce.
- Bounce and our General Electric dryer make it easy for me to do many nice things for my family.
