

- We just finished a wonderful book called, "How to Get Along With Your Car."

- We got it from our independent Texaco retailers. There's a chapter on how to make some of your own repairs. 17 ways to save gasoline. What to do when things go wrong. 26 chapters in all.

- Why don't you ask your participating Texaco retailer how to get this great money-saving book.

- They're such nice people
