

- Now a little tarragon for flavor.

- Oh!

- Dad, dad, dad, dad!

- What?

- I only had one.

- One?

- Cavity.

- Excellent, magnificent.

- The secret, maestro?

- Well, uh-

- We switched to Crest.

- But of course, he brushes with Crest.

- Maestro.

- We tried many toothpastes, but Crest has fluoride. The others we tried didn't.

- That makes the difference, maestro?

- Yes, flouride is the most effective cavity fighter ever put in a toothpaste. It's a remarkable ingredient.

- But maestro, they all have it.

- No, no, Crest, she has a special fluoride formula: flouristan.

- It's true, and Crest is the only leading toothpaste recognized by the American Dental Association.

- And two flavors.

- Regular and mint, oh the mint (kisses), superb!

- Oh!

Announcer: Have checkups, watch treats, and brush after eating with Crest, a cavity fighter.
