

- Do you really know what your dog likes to eat? Hey! I guess you could ask your dog or go by your own experience. He just loves Gaines Gravy Train. Hey! It's might be Gravy Train's great all-around taste, or that it makes a complete dinner. And when I add water, it makes gravy, thick, beefy tasting gravy. (laughs) Now what more could you ask for, huh?

Announcer: Gravy Train. Good taste and gravy, too.
