

- (sneezes) This cold is big trouble, what did you get me?

- Well, You've been sniffing, sneezing and

- Your head's stuffy so I got you some Time Capsules.

- But I'm also coughing, aching, feverish and tonight I've got to rest.

- I was supposed to get a sniffing, sneezing coughing, aching, stuffy head feverish so you can rest medicine?

- That's NyQuil. Relieves everything these capsules do plus other symptoms they don't.

- NyQuil.

- I need some.

- I'll get some.

Voiceover: NyQuil. The nighttime, sniffing, sneezing, coughing, aching, stuffy head fever so you can rest medicine
