

- Well, I get so many more shaves from the Personna blade than I do (bleep) stainless steel. I got 18 shaves out of the first blade.

Narrator: British processed Personna, every edge uncommonly sharp, custom wrapped to keep them that way.

- 36 shaves out of one blade is fantastic. I can get more shaves out of one Personna blade than I can out of a dispensable (bleep).

Narrator: Better than average? Sure. But if Personna doesn't give you more luxury shaves, we'll buy you (bleep) (bleep) or whatever blade you think is better.
