

- That'll top it perfectly.

- Stop right there, Sarah Tucker. What's the idea, telling my class not to use Cool Whip?

- Oh, I found something that tastes better.

- Better?

- New, improved Cool Whip. It has a fresher, creamier taste, because it's made with dairy ingredients.

- Mmm, it is fresher.

- Mmm, creamier.

- What do you think of my lesson now?

- Well, it looks like even an old teacher can learn something new.

Narrator: New, improved Cool Whip whipped topping with dairy ingredients.

Woman: A fresher, creamier taste.
