

(organ music) (background singing)

- And now, without bowing heads or closing eyes, May I offer you, in the name of the Lord, our God, this word of blessing. Go now, in peace, my friend and as you go may you find fulfillment in serving, joy in loving, satisfaction in giving and peace in believing. And may the love, peace, and joy of God be with you and with those whom you love this day and forever. [Choir Singing Amen] [Organ Music]
