

- Where have you been? I've been waiting for 20 minutes.

- There was this traffic jam on Walnut street.

- Walnut Street? What were you doing there?

- We went to the dentist, Dad.

- Oh yeah, I forgot.

- Oh man, one cavity.

- Hey, you're doin' great.

- You aren't kidding. You know, I'll bet it's the Crest.

Narrator: Crest proved it reduces cavities. 21, 34, 42% in tests against the same toothpaste without fluoristan. Have regular checkups, watch between meal treats, and brush after eating with Crest.

- You shoulda heard the horns on Walnut Street.

- When?

- When Mommy stalled the car.
