Narrator: Kids, it's fun, fun, Fun-a-Rama time! And that means that right now, you get surprise toys, games and gifts with your favorite Post cereal in the special Fun-a-Rama boxes. Just look at these boxes of Post Raisin Bran. You get four different Fury games free, right on the backs of Raisin Bran packages. Let Joy tell you about them.

- Kids, Jim and I worked out these swell games. They're all about ranch life. We call this one the Broken Wheel Ranch Bronco Race. And in this game, you have all the excitement of rescuing Fury and there are two more, Broken Wheel Roundup and Fury Saddle Up Game.

Narrator: These Fury games are free, right on the packages of Post Raisin Bran, the only cereal in the world with sugar-coated raisins. These golden-crisp flakes with the big juicy raisins are great and you'll have lots of fun playing these Fury games on the back of the package.
