

(noses sniff)

- Hey, what's that terrific smell?

- I don't know but it smells delicious.

- Look, I see it's new Alpha-Bits.

- New Alpha-Bits, ooh, ooh!

- I want to eat it, I want to eat it.

- Boy, new Alpha-Bits smells terrific.

- They look ABC delicious.

- Well, what are we waiting for? New Post Alpha-Bits cereal is part of a balanced breakfast.

- Uh-oh, a bear just smelled new Alpha-Bits. (bear growls)

- I'll eat them right up.
