

- What glamor, what allure, I love it. Painting, fussing, morning, noon, and night.
- Me fuss with my face? Boring. I'm too busy. I wanna to look great without fussing.
- With L'erin, new L'erin cosmetics I can. Face, lips, eyes... everything L'ERIN goes on fresh stays on fresh.
- And pretty, you never looked more alive, even after five. Look for new L'erin Cosmetics at the L'erin display. Put your face on and forget it.
- Forget fussing? What would I do all day?
