

- Got three kids here caught copping out. Charlie, the sneak treat kid caught munching between meals. Debbie, the dentist Dodger. hasn't seen her dentist in three years. Freddie the flash, caught not brushing after eating. Now. Y'all know what you can get for these crimes, right? Cavities. All right. So what I want you to do is just brush with Crest with fluoride, the cavity fighter.

- Fighting cavities is the whole idea behind crest.
