

- Ma'am which do you think is the bonus in bonus, the brand new floral masterpiece towel or the heavy-duty detergent?

- This new towel, it's cool.

- The detergent.

- Oh, it's this elegant towel. I mean, it's beautiful. It's so expensive looking. I just love--

- Blue and brightness, water softness for real white clothes, the detergent's the bonus.

- So how come they pack the towel on top?

- The towel and detergent, a bargain at one price.
