

- You could tell that she has bad breath every morning.

- The head librarian. She'll fire me.

- Now you lost, give her the scope.

- Tell her, we use it, first thing in the morning, her breath will feel fresher for hours.

- Morning.

- Scope? I tried scope this morning, and my breath still feels fresh. Bain, I respect your courage. Now back to work. Everyone.

- (Narrator) Scope. Once in the morning, does it.
