Narrator: Yes, it's not just margarine, it's Nucoa and it's naturally good. See for yourself. Nucoa looks so good. Nucoa's delicate, golden color is nature's own carotene. No artificial coloring. Nucoa smells so good, naturally good because it's fresh. No benzoate preservative. And Nucoa tastes so good, naturally good. No artificial flavoring. Nucoa is all nutrition. Every pound rich in healthful vitamin A and vitamin D. Deliciously smooth. Yes, when it looks, smells and tastes this good, it's not just margarine. ♪ It's Nucoa, Nucoa, Nucoa ♪

Narrator: That's why Nucoa is the one to buy!
