

- When a dog comes home with dirty paws his best friend is Mr. Clean. They all time champ of all kinds of cleaning. Procter & Gamble's new, all purpose, liquid cleaner. On wash day, soap dirty grimy paw prints with Mr. Clean. They just disappear because he helps laundry suds do cleaner, fresher smelling wash. Grimy paw prints on painted doors? No trouble at all for Mr. Clean himself. He cleans anything washable faster and easier. This means I'm hungry. It also means dirty dirt. But Mr. Clean just wipes it away. Nothing to it. Why he'll even cleaned the dog himself? No wonder dogs love Mr. Clean. ♪ Mr. Clean gets rid of dirt ♪ ♪ and grime and grease ♪ ♪ in just a minute ♪ ♪ Mr. Clean will clean your whole house ♪ ♪ and everything that's in it ♪ ♪ Mr. Clean ♪ ♪ Mr. Clean ♪ ♪ Mr. Clean ♪ (bells chiming)
