

- Careful, Sarah! Paint's wet!

- Oh! How about a Tucker Inn dessert?

- Uh-uh, have my wife's homemade applesauce cake. World's best.

- Looks delicious.

- Enough for two.

- Okay.

Painter: Sarah, my wife never has topping.

- That's not just topping. It's Cool Whip.

- We've tried toppings, but-

- Taste it.

- Tastes even better with Cool Whip. Such a fresh taste.

- Fresh as homemade.

- Wait till I tell the missus.

- Maybe she'll tell me her recipe.

- Uh-uh.

Sarah: Cool Whip nondairy whipped topping. Tastes as fresh as homemade.
