Narrator: Starting now, you'll roast the juiciest, most flavorful meats in the see-through roasting wrap, Reveal, with sure-seal strips. Wrap in see-through Reveal, and you can keep an eye on things from start to finish. Watch. Reveal's unique sure-seal strips lock in the flavorful juices, all the while it's roasting. The meat is continuously basting inside the wrap, deliciously browning right through the wrap, while your oven stays clean as a whistle, and your roast gets done to mouthwatering perfection. Large, small, any size at all. ♪ Put what you like in see-through Reveal ♪ ♪ And take out something you love ♪ ♪ Put what you like in see-through Reveal ♪ ♪ And take out something you love ♪
