

- Okay, what's wrong?

- Huh?

- Saturday breakfast. They get fresh squeezed, I get frozen?

- Well, you think the best-selling frozen orange juice tastes closest to fresh. So I gave you the last of it. This is Orange Plus.

- It's not fresh squeezed?

- Uh-uh. Orange Plus tastes more like fresh, the number one, even has pulp like fresh.

- It's delicious. Hey, you want to trade?

- No.

(cutlery clinking)

- Bird's Eye Orange Plus Frozen Concentrate for Imitation Orange Juice.

- It does taste like fresh squeezed.
