

- Who put the baby in the potato salad?

- All these babies, anyone bring Pampers?

- Will improved Pampers do?

- I didn't think Pampers needed improving.

- Hey, they sealed the side.

- Helps keep wetness inside.

- Look new padding under the stay dry lining. It feels like cotton.

- More absorbent, they're much better at keeping babies dryer.

- Hey, someone passed.

Narrator: Improved Pampers, for drier than ever happier than ever babies.
