

- Don't tell me you still haven't had your hair cut?

- I still haven't had my hair cut.

- I said don't tell me.

Narrator: The generation gap, growing wider and deeper every day until, (butter knives clanks) a little tub brings them together. Soft Chiffon, the safflower oil margarine. So delicious. It bridges the gap with flavor.

- Gee dad, you digg Chiffon? Sure. I do it like this.
