

- Bounce has a long-lasting, fresh smell. It makes clothes smell fresh long after they're out of the dryer and my family just loves it.
- Bounce has a long-lasting, fresh smell?
- It sure does! I dried this a week ago, took it out today, it still smells line-dried fresh.
- I dried Jane's blouse with Bounce Thursday.
- It still smells fresh.
- And with Bounce, clothes come out soft, comfortable, not limp. Here, feel my shirt.
- And with Bounce, there's no static cling at all because Bounce works in the dryer where static builds up.
- See, my socks don't stick to my pants.
- I dried this turtleneck with Bounce a week ago, it still smells outdoor fresh. Bounce's unique combination of fresheners work in the heat of your dryer to give your clothes long-lasting freshness.
- I'm convinced, the freshness of Bounce lasts for days. But Bounce doesn't stay in the store long.
- Here, well have one-

- of mine.
- of mine. (everyone laughs)
- Bounce, for long-lasting freshness your family will love.
