

- Nice throw.

- Dad! Dad!

- Susie!

- My checkup! Only one cavity.

- Much better.

- How'd you do it?

- I brush with Crest now.

- Toothpaste is toothpaste.

- Mm-mmm. Crest has fluoride. Fluoride is the best cavity fighter around. Others we tried didn't have it.

Announcer: While Crest can't promise only one cavity, we promise most people good checkups. Crest is accepted by the American Dental Association.

- Class, now my favorite hold.

Announcer: Fighting cavities is the whole idea behind Crest.
