

- I wanna tell you about something great. It's Rely, a whole new kind of tampon from Proctor and Gamble. There's nothing else like it. The special shape, unique material, and the way it's made. I can't explain it all now, but look for the ads in your favorite magazines, they'll tell you what makes Rely so different. It's worth finding out about. After all, it's really a great tampon. Remember, they named it, Rely.
