

- Mr. Whipple?
- Yes, little girl?
  
- Some ladies are squeezing the Charmin.
  
- Isn't that nice? Som ladies are squeezing the Charmin? Ladies, control yourselves.
  
- But Charmin has a deep-down, squeezable softness.
  
- Nice fragrance too. We can't resist it.
  
- But you must obey signs. The youth of America is watching.
  
- Mr. Whipple, please don't squeeze the Charmin.
