

- So glad you could babysit mom, just changing him before I go.

- Pampers? No diapers.

- Mom these are better, you just flush them away.

- Better for you, maybe. What about my grandson?

Woman: Do you think I'd use something that didn't work?

Narrator: Here's proof that Pampers worked better than diapers. Watch water go right through cloth diapers, not through Pampers.

- No plastic pants either.

- What's bad about teaching an old dog new tricks?

Narrator: Pampers, makes diapers old fashioned.
