

- Try that for size, out of the new Post compact box.

- You know, this box stores so much easier. Opie can fit it on the shelf blindfolded.

- Fit it there blindfolded?

- Wanna bet?

- A million?

- You got a bet. Opie. Tall, thin cereal boxes are too ornery to store, even when you're looking. But the new Post compact box practically stores itself.

- You given him seconds?

- Just facts. Remember too, this new compact box holds exactly as much.

- Now that's code.

- It's the truth, go on Op. There.

- He did it.

- You owe me a million.

- I'll pay you payday.

- Start your day a little bit better with the same good Post cereals, now in the new compact box. Easier to store on the shelf. New compact box from Post.
