

Narrator: While the Clarks innocently sleep, an evil thing is happening. Don't be frightened, it happens to most people. A pasty film covers your mouth, it tells you have morning breath, the worst breath of the day. (alarm ringing)

Both: Morning.

Narrator: Scope helps get rid of morning breath and pasty film leaving breath minty fresh clean.

- Ah.

- Ah.

Narrator: Scope fights morning breath, the worst breath of the day.

- Good morning.

- Good morning.
