

- James Lime, here. You might guess I'm bananas about lime. You'll know there's lime to squeeze and lime to shave with, but now there's lime to freshen the air. Cool Lime air freshener from Glade. Newest to their natural scents. Glade erases orders. Leaves air tingling with fresh limes scent. Extraordinary. I think you'll go bananas over Cool Lime too.

Announcer: Cool Lime. Newest of the natural scents from Glade.
