

- And what did your bleeding hearts pass when they were in office? A lot of garbage.
- They put people to work.
- Oh, yes.
- They opened daycare centers.
- Make work stuff. Raking leaves.
- They passed ash pollution laws.
- Digging up trolley car tracks and planting pussy willows.
- And street lighting. That's what they passed.
- That's what they passed. Pass the Pepto-Bismol.
- If you're having politics for dinner, have Pepto-Bismol around for dessert. Pepto-Bismol is a kind of protective coating between the upset and the stomach.
- I'm glad that's settled anyway. Now, where were we?
