

Narrator 1: We had our dog Button sent out to us after we finally settled in our new house. I was worried she hadn't eaten. If it doesn't come out of a can, she won't eat it.

- Come on, Button.

- She looks good.

- When she came in I fed her with Duke here.

- She ate Gaines-Burgers?

Man: Yeah, sure. It's moist and meaty like can, and it tastes terrific.

Lady: She loves it.

- And now that's flying first class.

Narrator 2: Moist and Meaty Gaines-Burgers Dog Food, beef, egg, and cheese flavor.
