

- Bounce has a long lasting fresh smell. Makes clothes smell fresh long after they're out of the dryer and women just love it. My wife dried this jacket with Bounce a week ago. Took it out this morning (sniff) and it still smells line dried fresh.

- I dried this days ago, just took it out. Still smells fresh.

- And clothes come out soft, but not limp.

- And there's no static cling.

- See!

Announcer: Bounce's unique combination of fresheners work in the dryer. To give clothes long lasting freshness.

- But Bounce doesn't stay in the store long.
