---

Narrator: Each year, thousands of new recruits join the ranks of American business. As executives, these men will have to travel. They will eat strange foods in strange places, and will suffer the consequences, upset stomach, heartburn, nausea. How does American business prepare its men for these hardships? With Pepto-Bismol tablets. The soothing, coating action of Pepto-Bismol, plus something extra, an antacid for businessmen on the go. Pepto-Bismol traveling tablets, when your stomach's away from home.
